

Say Hello to Augmented Reality

SLIIT Workshop

Today...

- Concepts of AR/VR
- What you can do
- Lets build one
- Take your app to next level

Yasas Sri Wickramasinghe

Co-Founder of NavitaZ
Software Engineer 99X Technology

3 Revolutionary Technologies

01

Virtual Reality

02

Augmented
Reality

03

Mixed Reality

1

Virtual Reality

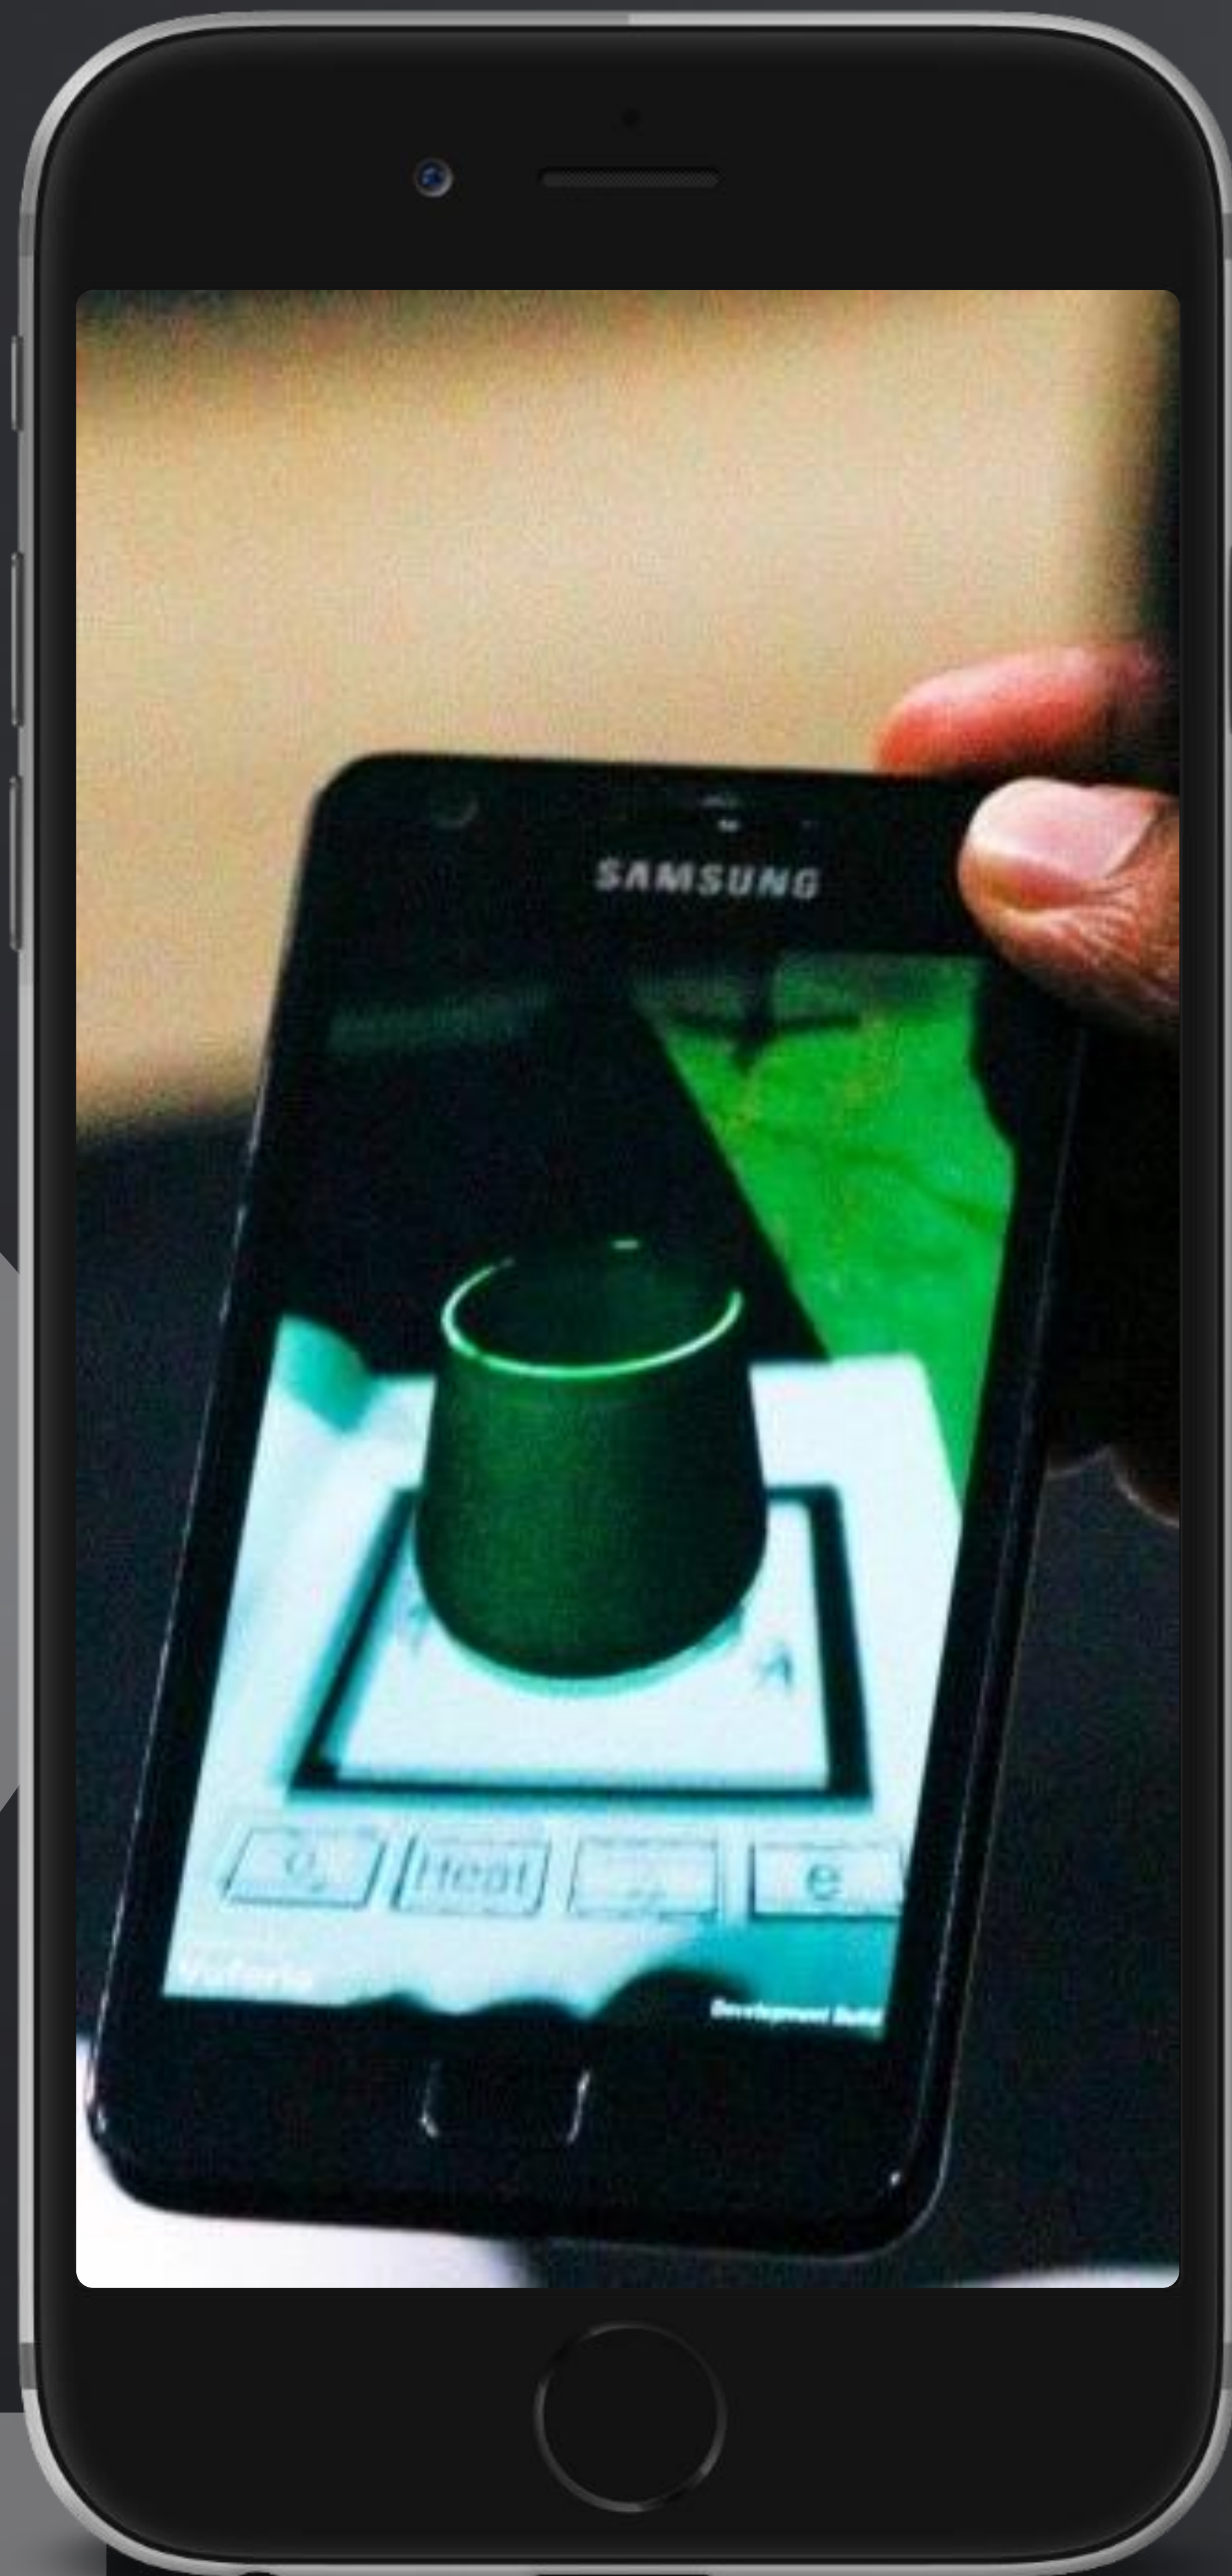

Software Technology to generate the realistic images, sounds and other sensations to replicate the real world.

PIXEL PLANET

Augmented Reality

Blending virtual objects with real world in real time

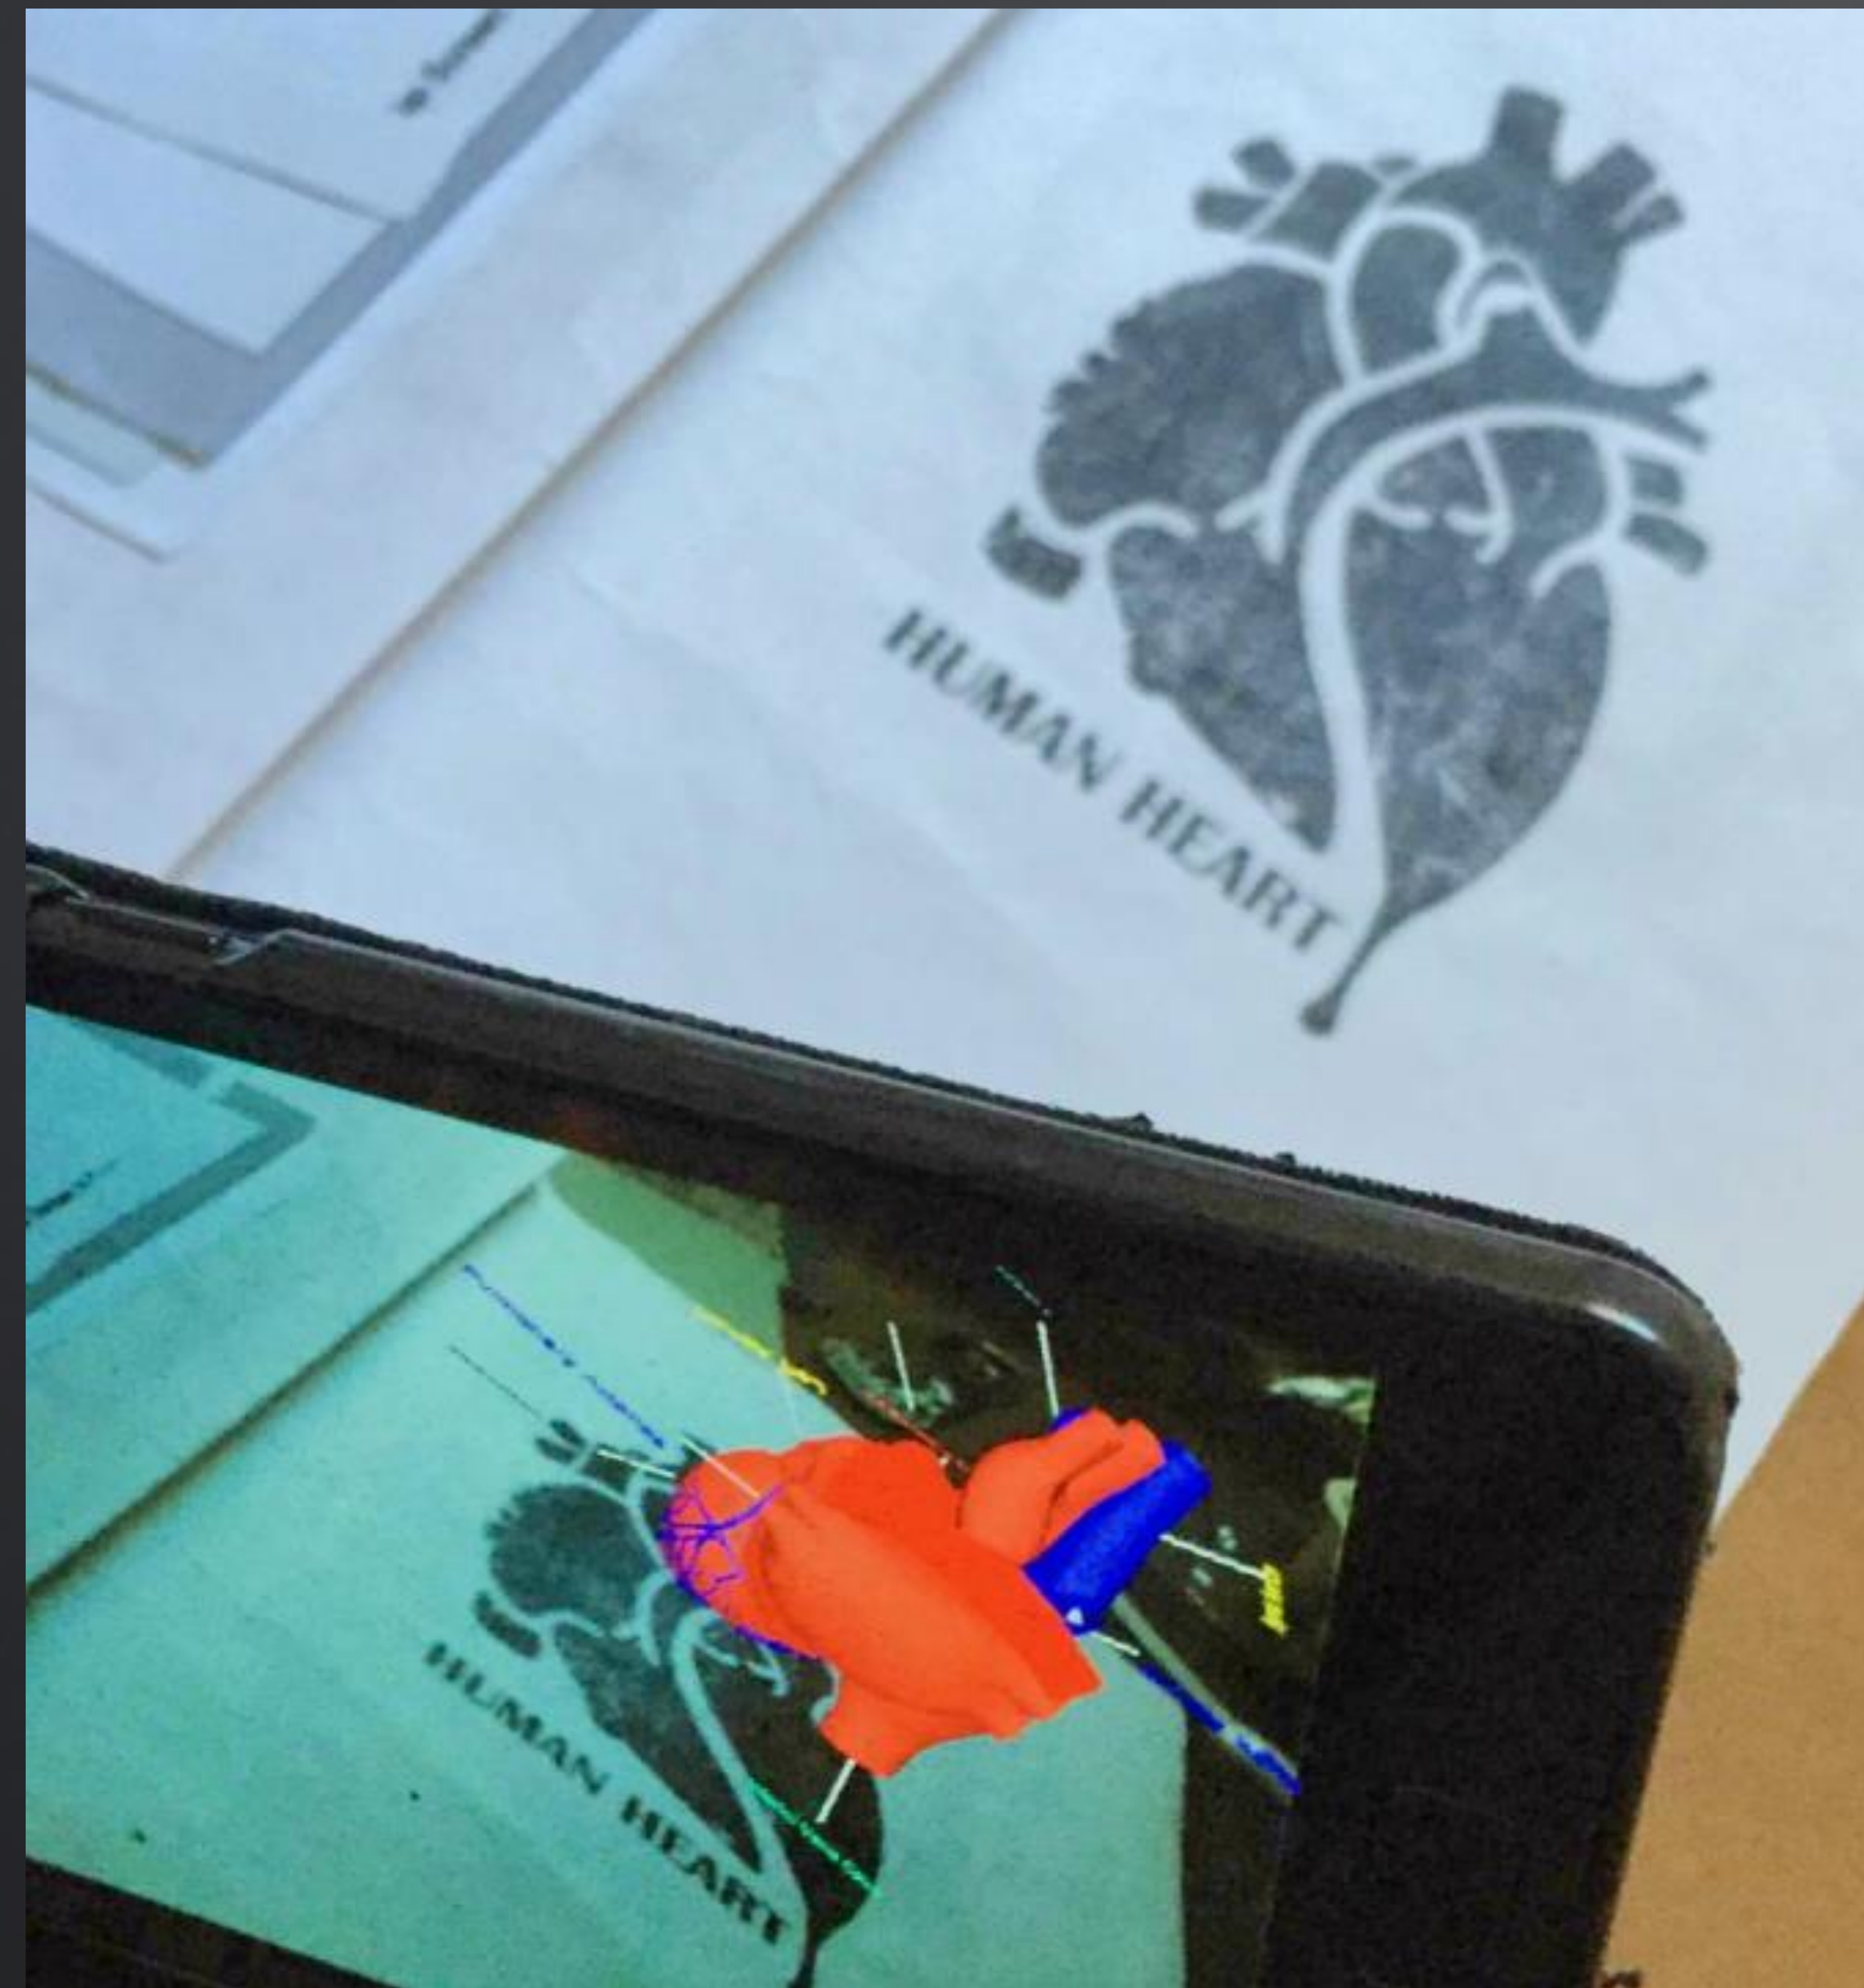

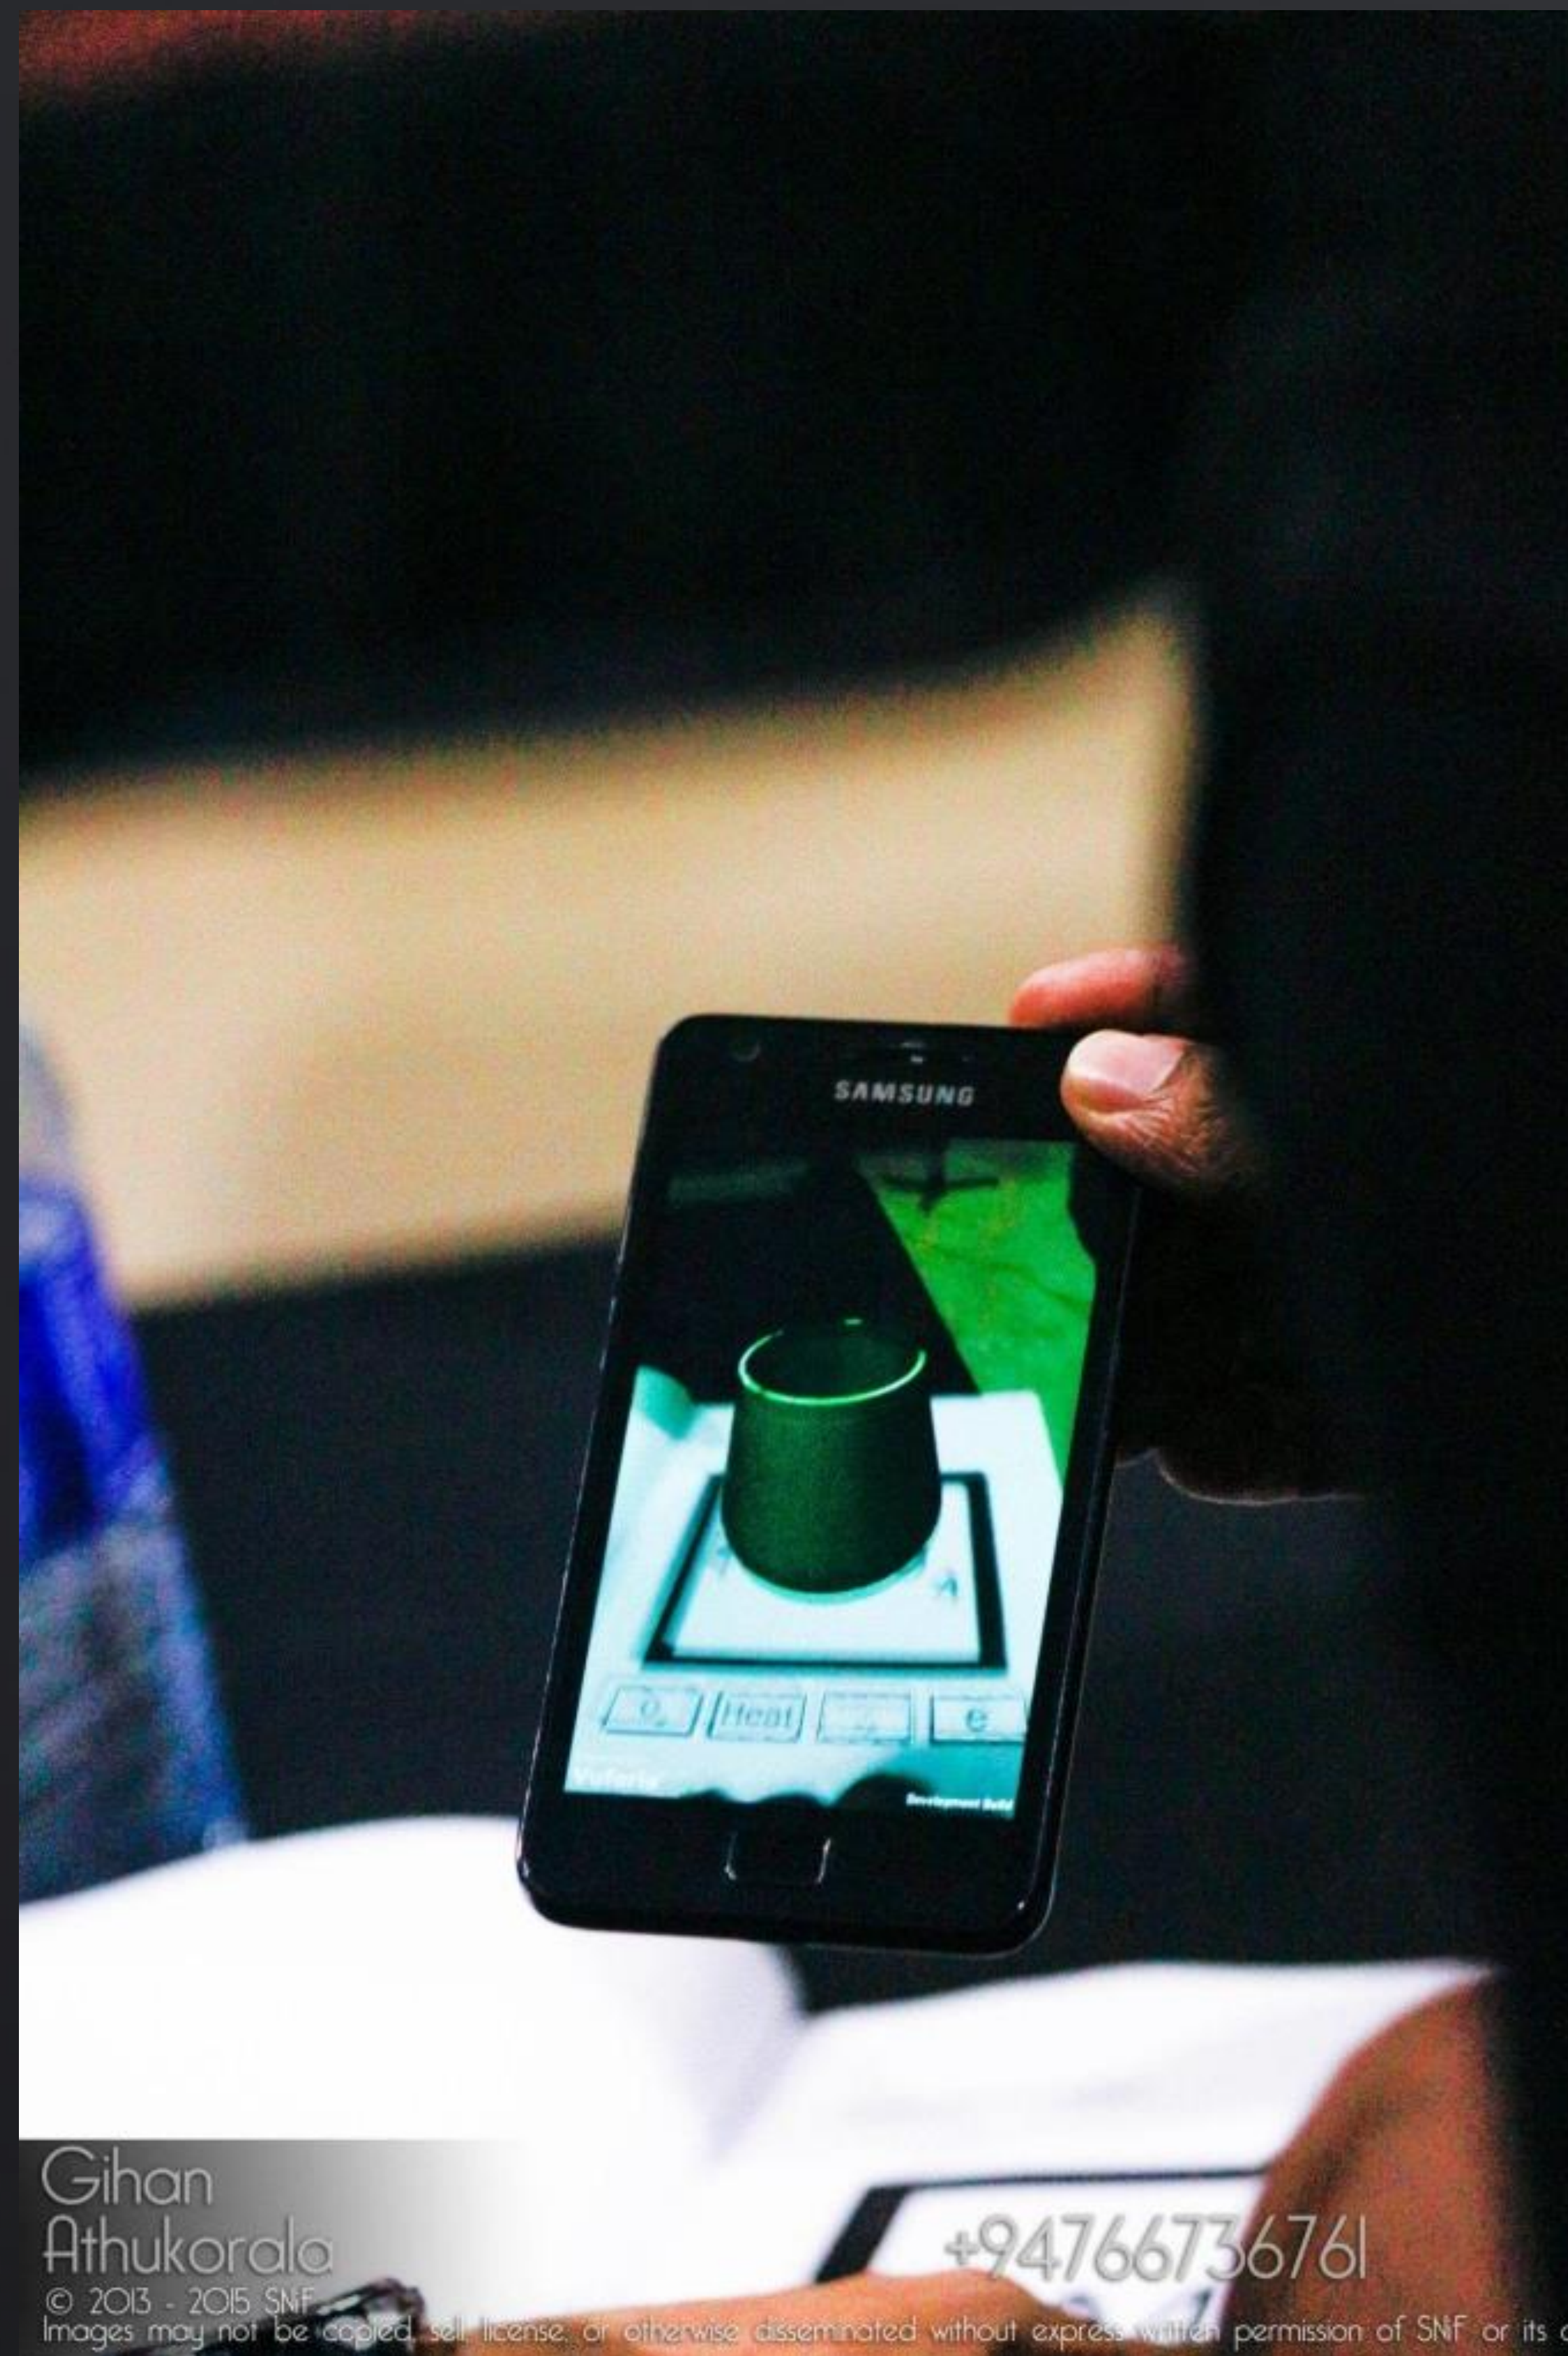

3

Mixed Reality

Augmented Reality

Augmented Reality

Development

e

A close-up photograph of a person's hand holding a silver smartphone. The phone's screen is dark and appears to be displaying a list of items or a document. The background is blurred, showing a dark, possibly black, object. The text "Thank You" is superimposed in a large, white, sans-serif font over the center of the image.

Thank You
